Identity Violence Religion The Dilemmas of Modern Philosophy of Man Szklarska Anna pobierz PDF Anna Szklarska is a philosopher at Jagiellonian University, Krakow. She is the author of many articles in the field of ethics, philosophy of man, social philosophy and history of philosophy. She has participated in international conferences such as 'American and European Values IX' or 'Ethics of Moral Absolutes'. At the Institute of Philosophy at Jagiellonian University she teaches social philosophy and the philosophy of values. She is also interested in the relationship between, and common problems in, political philosophy and philosophy of religion. Most recently as a co-editor and author of one of the chapters, she has published a monograph devoted to various interpretations of Nietzsche's idea of the eternal return (Polish title: Boska radość powtórzenia. Idea wiecznego powrotu.). She lives in Krakow.
